PARENT-TEACHERS HOLD FIRST MEETING AND PLAN YEAR'S WORK

A goodly number of members of the Broadway Parent-Teachers' Association met at the school on Thursday afternoon for the first regular meeting of the school year. The regular business hour was taken up with the appointing of permanent committees by the President, Mrs. Lydia M. Kulp.

City Forester F. A. Marek was the speaker of the day and his discourse on the "Care of Trees" was highly interesting. Mr. Marek has spent many years propagating shade trees and during the past year has superintended the planting of hundreds of shade trees along the parkways of our city. These trees under his care, if unmolested, will soon add greatly to the beauty of our streets, but for some reason, either unintentionally or with malicious intent, attempts have been made to destroy these young trees. This has caused the Forestry Department much trouble and annoyance and Mr. Marek's talk was a plea that school children as well as grown-ups assist rather than abuse the young growths.

Mr. Marek is not so mercenary as to overlook the fact that to the average healthy boy or girl, a tree is grown to climb but he does ask that they at least give the young trees an opportunity to grow.

Mrs. Kulp, President, appointed a special committee to devise ways and means whereby the attendance at regular meetings may be increased and interest stimulated.

The Broadway Association has started the year's work with vim and vigor and some interesting meetings will be held during this period. President Lydia M. Kulp and her associate officers urge the fathers and mothers of the Broadway School District to take an active part in these meetings.—Worker.

J. H. REDMAN'S NEPHEWS DROWN

J. H. Redman of the Shaver Grocery Company received recently a Canton, Ohio, paper telling of the death by drowning of two nephews, in Lake Conasset, Mill Creek Park, Youngstown. The two boys, Paul, aged 21, and Frederick, aged 19, were rowing about the lake when their boat capsized. Both were good swimmers. Paul started for the shore supposing his brother would follow, but on looking back he saw Frederick clinging to the overturned boat. He turned and swam back, but before he could reach Frederick the latter sank. Paul dived for him and in the struggle to rescue the drowning boy both were pulled under and sank. They were dead before help reached them. Frederick had been sick recently and had not fully recovered. This is supposed to be the reason why he did not attempt to swim ashore. The boys lived in Canton, but had gone to Youngstown to visit relatives. Mr. Redman is greatly depressed over the death of his nephews as they were fine, manly boys with bright prospects before them.

BOUNTIES FOR BIRTHS

Moved by the recent agitation over the remarkable birth rate of Japanese babies in California, Dr. J. L. Pomeroy, county health officer, is working on a bill to provide a bounty of \$100 to every wife of moderate means, exclusive of aliens, for each child born to her and to levy a tax on owners of property who refuse to rent to tenants who have children. The tax would help to pay the bounties. Japanese births in the county exceed those of the white race, which would lead, after a time, to a preponderance of the yellow race in county and state. Among Glendale's Japanese residents there are very few, if any, families of more than four children, and some have one, two or none. But in other places in the county large families are the rule and this will constitute a real menace, as the children born here will be American citizens, so in time these would outvote the white race.

PRESIDENT TO SELECT CHURCH HE ATTENDS

President Wilson requested, in a communication to the Los Angeles reception committee, that no invitations be sent him by pastors or laymen to attend any particular church services next Sunday. He said he and Mrs. Wilson would go quietly to the church of their choice, as they wished no display made on such an occasion. This is rather hard on curiosity seekers who go to church for a sensation rather than worship.

TRUSTEES' MEETING

CITY ATTORNEY REPORTS ON R. R. COMMISSION HEARING IN TELEPHONE CASE

The Board assembled at 8 p. m. September 18, 1919.

The minutes of the regular meeting of September 11th, the adjourned session of September 12th, and the special meeting of September 16th were read and approved.

Communications

A communication addressed to the President of the Board was read from Walter S. Halliwell, calling attention to the Garst wells at 603 West Broadway, which the communication stated are still pumping a large volume of water, and according to the writer of the communication can furnish sufficient water to supply all of Glendale. The communication stated that the owner of the property would be pleased to go into the matter with the Trustees of the city, if so desired.

On motion of Trustee Henry, the communication was ordered to be filed.

Police Protection at Elks' Club and Palace Grand

The City Marshal presented a written report in regard to the request of the Elks' Club and of the Palace Grand Theater for more police protection. The Marshal recommended that the request be denied, but that he be authorized to spend the sum of sixty dollars (\$60.00) for investigating purposes, being one-half of the appropriation allowed in the budget for that purpose, to be used in hiring a watchman at intervals to watch the parked cars. On motion of Trustee Henry, the recommendation of the City Marshal was adopted, and the expenditure authorized to be made.

Application from Broadway Auto Sales & Supply Company

An application was presented from the Broadway Auto Sales & Supply Company for permit to conduct auto passenger service. Being approved by the City Marshal the permit was granted on motion of Trustee Henry.

Communication from Railroad Commission

A communication was read from the Railroad Commission of the State of California announcing the postponement of the hearing set for September 25, 1919, to October 20, 1919. "In the matter of the practice of electric utilities as to extensions for service on the commission's own motion."

City Attorney

The City Attorney presented a letter from E. C. Johnson, Chief Engineer of the Pacific Electric Railroad Company, acknowledging receipt of a communication from the City Attorney relative to a proposed crossing to be opened across the railroad company's right of way at the intersection of Gardena avenue. The communication stated that the matter is being investigated and that the city will be advised as to the company's stand in the matter in the near future.

In regard to the request of the Southern California Edison Company for the addition of a clause in the existing contract with that company in regard to proportion of liability, he had notified the company that the proposal is not satisfactory.

The City Attorney stated in regard to the question of a gas supply for the Agar Company that during a session of the Railroad Commission recently the Engineer of the Gas Company had stated that the matter is being investigated. In regard to the matter referred to in the communication from the Railroad Commission just read, the City Attorney stated that the Railroad Commission had written to the Electric Company in regard to complaints from prospective consumers to the effect that they were unable to secure extensions of service except at their own expense, and that the Commission had, on its own motion, instituted an investigation, and given the notice of a public hearing.

The Commission had ordered that all electric utilities shall appear before the Board and show cause why they should not make connections for prospective consumers at the company's expense in cases where the cost of the same shall not exceed one hundred dollars (\$100.00).

Telephone Matter

In regard to the telephone matter, the City Attorney stated that it had been brought up before the Railroad Commission, and at the hearing nearly all the cities interested were represented. The most of the time had been taken up by the Telephone Company presenting their side of the case, which included a statement that before the government had taken (Continued on Page 2)

PRESIDENT IN LOS ANGELES

MAKES HALF-HOUR STOP ENROUTE TO SAN DIEGO—WILL RETURN TOMORROW

(Special Service to Glendale Evening News)

LOS ANGELES, September 19.—President Wilson aboard his special train arrived in Los Angeles at 11:30 this morning making a half-hour stop enroute to San Diego where he speaks tonight.

The president's train came in over the Southern Pacific line and was switched to the Santa Fe tracks, the president going to the Santa Fe station. In the Santa Fe yards a crowd of several hundred including many women were on hand to greet the chief executive and he was cheered roundly.

The president first appeared on the rear platform of his car. The crowd cheered him and then called for Mrs. Wilson. "Mrs. Wilson is easily embarrassed and I am not," the president laughingly remarked and then shook hands with a number of those who were standing near his car.

A few minutes later he descended from the platform and with Admiral Grayson walked several hundred yards back and forth in the railway yards.

The president spent a half hour at the Santa Fe station before his train pulled out about noon for San Diego.

The first stop made in Southern California was at Santa Barbara shortly after eight o'clock this morning. A great crowd cheered him at the station and a little later another crowd greeted him as he passed through Oxnard. Many Mexicans were included among those who cheered the president.

The president's train has changed its schedule so he will not stay in San Diego tonight but will leave shortly after midnight and reach Los Angeles at 9 a. m. tomorrow instead of at 11:30 as originally scheduled.

PEACE TREATY GIVEN BULGARIA

PRESENTATION WITHOUT CEREMONY—ALLIES GIVE BULGARIA TWENTY-FIVE DAYS TO REPLY

(Special Service to Glendale Evening News)

PARIS, September 19.—The allies today handed to Bulgaria the peace treaty. The presentation took place in the French foreign office and was unaccompanied by any ceremony.

The allies give Bulgaria twenty-five days to reply.

One representative of each party to the treaty and ten newspaper correspondents were the only witnesses of the presentation.

Important phases of the treaty are:

Four modifications of the Bulgarian frontier in favor of Serbia. Provision that Western Thrace be ceded to the allies for future disposal.

Bulgaria to reduce her army to 20,000 and pay \$450,000,000 indemnity.

Bulgaria to recognize the independence of Jugo-Slavia and renounce the Brest-Litovsk and the Bucharest treaties.

Otherwise the treaty follows the same lines as the Austrian treaty.

JAPAN WILL NOT MAKE STATEMENT

RETURN OF SHANTUNG TO CHINA DEPENDS UPON NEGOTIATIONS SAYS FOREIGN MINISTER UCHIDA

(Special Service to Glendale Evening News)

TOKIO, September 19.—It is reliably reported that the Foreign Minister told the Diplomatic Council that Japan will not make a categorical statement regarding the return of Shantung to China despite hints from Washington that such a statement would be desirable.

The newspaper, Jiji Shimbun, said, "Foreign Minister Uchida is reliably reported to have told the Diplomatic Council that Japan cannot predict events which depend upon negotiations between Tokio and Peking, though these negotiations will be opened at the earliest opportunity."

SAN DIEGO WELCOMES WILSON

CITY DECORATED AND CROWDS GATHER AWAITING ARRIVAL OF PRESIDENT THIS AFTERNOON

(Special Service to Glendale Evening News)

SAN DIEGO, September 19.—San Diego is taking a holiday today to receive the president.

The president's train is scheduled to arrive here at 3:30. The city is draped in flags and bunting and great crowds are on hand awaiting his arrival.

ASKS HONOR FOR CHIEF OF STAFF

SECRETARY BAKER ASKS CONGRESS THAT GENERAL MARCH BE MADE FULL GENERAL FOR LIFE

(Special Service to Glendale Evening News)

WASHINGTON, September 19.—Secretary Baker went to the capitol today to personally urge that General March be made a full general of the American army for life.

REACH CAPETOWN

LETTER ANNOUNCES SAFE ARRIVAL OF MISS OLDS AND MISS WESSELS

Mrs. Jenette Smith of 410 East Broadway is very happy over the receipt of a letter from her sister, Miss Pearl Olds, who, with Miss Susine Wessels, left Glendale in May on the long journey to Miss Wessels' home in Capetown, South Africa. The letter stated that they had arrived in Capetown, August 14th, after a very stormy voyage of 27 days.

Miss Wessels and Miss Olds had their trunks packed last November and had been trying to book passage for months, but it was not until July of this year that they secured berths on a ship going to South Africa. They left Glendale in May and visited a few weeks in Minnesota with Miss Olds' sister and at various points in Wisconsin and in Washington, D. C., before going on to New York where their ship, "The City of Birwaras," was due to sail July 5th. The sailing was postponed from time to time and they did not leave until the 16th of July, so had plenty of time to see New York. They were there when President Wilson arrived from France and had a splendid vantage point from which to get a view of the President and his wife.

Miss Olds wrote hastily as soon as she reached Capetown knowing her friends would be anxious to know of her arrival and so could not give many of the details of the voyage. They made only one stop between New York and Capetown, at St. Vincent Islands, a desolate place where the only vegetation is cocoanut trees and where apparently all the people including the tiny children are beggars. The passengers chose the lesser of two evils and landed while the ship was being coaled.

Miss Wessels left her home in South Africa seven years ago to study music in Europe. When the war broke out she couldn't return to her home so came to America instead. This is Miss Olds' second visit to South Africa.

Mrs. Smith is looking for another letter from Miss Olds very soon giving further details of her experiences on the long journey.

SIX YEARS OLD

A birthday party was given yesterday afternoon by Mr. and Mrs. C. L. Peckham, 615 North Central avenue, in honor of the 6th birthday of their little son, Vassar Chandler Peckham. Fifteen little friends attended. The afternoon was spent in story telling and games on the back lawn, after which a party pie with soups was cut and refreshments of ice cream and cake were served.

INFECTION FOLLOWS NEW OUTBREAK OF INFLUENZA

And now expert physicians are blaming the ground squirrel with carrying pneumonia and infection in the recent new outbreaks of influenza in different parts of California. In Pomona the disease is said to be something like sleeping sickness with an aftermath of temporary blindness.

HOUSES SOLD TO SEATTLE MAN

Thomas Slater, who recently came to Glendale from Seattle, Wash., with his wife and child, has bought of Borthick & Daniels the two white plastered houses facing west on Central avenue a little north of Lomita avenue. They will live in the one now occupied by Roman D. Angelica and family and continue to lease the other to A. G. Spohr.

DOES NOT BELONG TO UNION

There is an automatic gong or call bell at the Glendale Union High School building that is not in any way affiliated with the labor union according to a statement just given out by Jesse E. Smith of the Ford Agency. Jesse has rooms in the Elks' building just across the block from the school building where this automatic contrivance labored hard all of Thursday night. The first alarm made Jesse think the Fire Auto was sent on a rampage to extinguish a disastrous fire. The next 20-minute alarm assured the restless man that the town was being well cared for as the Tropico community fire engine was on its way to the fire. The additional alarms at 20-minute intervals caused him to rest still easier as he imagined that first Burbank then Los Angeles, Watts and Pasadena fire engines were arriving in turn to assist in putting out the great fire. Smith insists that the school gong be forced to join the union, that hereafter it may quit on time.

TO GREET PRESIDENT

MRS. MATTISON B. JONES ONE OF COMMITTEE OF THREE TO HONOR CHIEF

The committee of arrangements for the great reception to be tendered the President tomorrow consists of three people—Herbert Cornish, chairman, and Champ Vance, of Los Angeles, and Mrs. Mattison B. Jones of Glendale. Mrs. Jones was given the choice of work and said she would look after the children's part of the program. So the school boards of Los Angeles and vicinity proceeded to organize the pupils and drill them in the songs to be sung. It was provided that they should be arranged in groups of 15 with a teacher in charge of each group. No pupils below the sixth grade are to be allowed in the parade and the parents are assured that all who do take part will be well looked after. The girls are to dress in white and the boys either in Boy Scout suits or school uniforms. The city school children are to line both sides of Hope street from Seventh to Twelfth and those of the county will be ranged along Twelfth street from Hope to Main. As the long procession from the station reaches Hope street, the machine in which will be riding Mrs. Jones and Mrs. Marie Larkey of Glendale, Mrs. W. C. Tyler of Los Angeles, they having been assigned by the general committee for these positions; also Prof. Hugo Kirchoffer, song director, and Mrs. Josephine Bull, child cornetist, will wheel in just back of the soldier escort and just in front of the machine conveying the Presidential party. Prof. Kirchoffer will direct the singing by this children's chorus of thousands of voices of "America" and "Star Spangled Banner" during the progress from Hope and Sixth around to Main and Twelfth. Their machine will be decorated with flags and the ladies will be dressed in white.

Mr. and Mrs. Jones and Miss Winifred will attend the banquet in the evening.

Mrs. Jones considers that the women are singularly honored in the choice of Mrs. Josiah Evans Cowles, President of the General Federation of Women's Clubs, to welcome the President on his arrival in this city. She also desires the Evening News to urge upon all owning machines who go in from Glendale to take as many of the school children as possible, as no arrangements could be made with the street railway companies for special cars. Notify some one of the school principals if you can do this.

LADIES' AID MAKES GRAPE JUICE

The Ladies' Aid of Central Christian Church met in an all-day session yesterday for work and incidentally made up three big boxes of grapes into grape juice for the communion service, as is the annual custom.

BIG FALL FESTIVAL

HOLY FAMILY CATHOLIC CHURCH PLANS THREE-DAY FAIR

Rev. James S. O'Neill, who, with his congregation, is planning a big fall festival and country fair to be held at La Ramada Park October 16, 17 and 18, has received from Bishop Cantwell, of the diocese of Monterey and Los Angeles, a letter expressing his pleasure in the plan. Bishop Cantwell says:

"My Dear Father O'Neill:— I am pleased with a great deal of pleasure that your congregation has taken all necessary steps for the opening of a parish fair, to be held next month. I take this opportunity of wishing you every success and blessing upon the undertaking. "A very big work remains to be done, by your devoted congregation. You need a church where the congregation may be properly housed, and which among other buildings will be really a House of God. You need also a school for your children. I have every confidence that your devoted people will support you in the work that you undertake, and that they will cheerfully share with the church in the material blessings that they have received from Almighty God. While we are in this world we have to use the things of earth as stepping stones to our eternal home. It should, therefore, be deemed a privilege to be allowed to use the things of time as aids to eternity.

"Yours very devotedly in Christ,
"JOHN F. CANTWELL,
"Bishop of Monterey and Los Angeles."

"Goodrich has The Tire"

The Summer of 1919 established this outstanding automobiling fact, "Goodrich has THE TIRE."

Car owners and drivers everywhere are saying it, passing along the good news by word of mouth.

At the outset Goodrich knew it had the tire—knew it by knowledge of tire making—knew it by road-testing.

That's why Goodrich stepped forth last June with its revolutionary More-Mileage Adjustment, and certified Goodrich Tires at 6,000 Miles for Fabrics; and 8,000 Miles for Silvertown Cords.

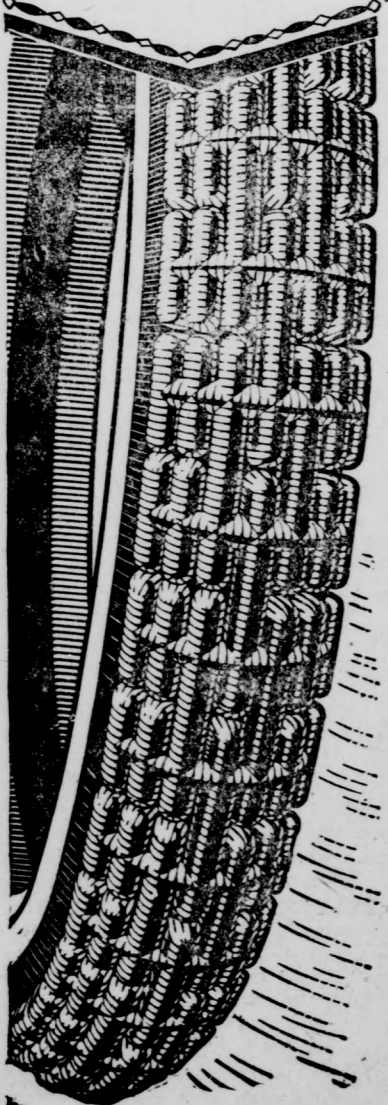

The performance of Goodrich Tires has made the Goodrich Certified Mileage, the peak standard for tire service; just as Goodrich list prices and Goodrich quality have always told tire users what tires to drive, and what to pay for them.

en over the service, the stockholders were receiving returns on their investment amounting to 5 per cent, but since that time, owing principally to increase in wages, and to other war conditions, this income had now been reduced to 3 3-8 per cent; the company therefore requested that the Commission do not lower existing rates. The statement was made by the Commission that the question had been investigated in 1914 and that the investigation had been pursued to some extent until the lines were taken over in 1918, the Commission having hearings at different points all over the state. The Commission had therefore accumulated data during the period covered and asked that the parties interested stipulate to accept the action of the Board passed upon that data. The City Attorney stated that he had asked the Commission to be furnished with the data referred to, and had been told that the records were open to his investigation. Finally, all parties interested had agreed to the stipulation. The telephone company's representatives had stated that they would require two months further time in which to prepare their case.

The City Attorney further stated that he had informed the Commission that it is the desire of the City of Glendale that a hearing be held in this city—a request which the Commission stated would be considered. He had afterwards seen Mr. Brundage, Los Angeles member of the Commission, and feels assured that a hearing will be held in this city.

Adjourned Meeting to Be Held Tuesday, September 23, 1919

Trustee Henry made a motion, which was adopted, that when the Board adjourned it be to meet at eight o'clock p. m., Tuesday, September 23, 1919.

Adoption of Ordinance Changing the Names of Certain Streets

Trustee Shaw presented the ordinance read at the meeting of September 11, 1919, changing the names of certain streets in the City of Glendale, and moved its adoption. The ordinance was adopted as Ordinance No. 359, "An Ordinance of the Board of Trustees of the City of Glendale changing the names of certain streets in said city."

CIVIL SERVICE EXAMINATIONS

Open competitive examination Monday, September 29th, in room 1007, Hall of Records, L. A., for two positions in Charities Department store room, to be filled immediately. Salary, \$85 a month to begin, \$90 after first year, \$95 after two years.

Open competitive and promotional examination in office of Chief Draftsman and Building Inspector; one position to be filled, and eligible list created. Salary \$175 per month, increase to \$185 after one year and to \$200 after two years.

These examinations open to all citizens of the United States and residents of California.

SUNLAND

School opened last Monday at the Monte Vista schoolhouse with Miss Perner as principal and Miss Dunfee in the primary department. There is a full attendance of pupils and the school board are furnishing the playgrounds with amusements for the children.

There are nine pupils from Sunland attending the High School at Glendale. Mr. Richardson is running an extra bus for the school children on account of the heavy traffic on the stage.

Mrs. Bertha Schrank and daughter, June Alice, returned Monday from Rochester, N. Y., where she has been visiting the past five months. She says the east can't come up to Sunland.

The Misses Ethlyn and Joe Akins gave a dinner dance to a few friends last Saturday evening.

Miss Menita Huse and Miss Edyth Haines returned from San Diego Tuesday, where they had been to attend the wedding of Miss Helen Fraas and Chester Rutledge.

Mr. Blanchard, who spent last summer in Bunny Bankly cottage, severed his connection with the Bartlett Music Company and is now in business with the Barker Bros. Furniture Company.

Mrs. G. W. Hitchcock and daughter, Mrs. Freeman, were Sunland callers Sunday. Mrs. Hitchcock has rented her house through the Geo. Huse Agency to parties from Santa Monica for one year. They will take possession at once.

Mr. and Mrs. Julius Kranz and daughter, Barbara, are again at their North Brand boulevard home after spending the summer at their beach cottage at Hermosa.

Mrs. W. D. Ross, of Kansas City, Kansas, is in Glendale to spend several weeks with her son, Walter, at 900 East Colorado. She will spend the entire winter in Southern California, visiting several cities.

A. R. Redman, formerly of Glendale, and son of J. H. Redman of this city, is filling a good position as head instructor in the mechanical department of the vocational school at Oakland.

E. H. Learned and Willard went up to Bakersfield the first of the week to bring home their machine which had to be left there for repairs as the family was on the way home from a two months' tour of Central California.

Mrs. J. B. Cohn and daughter Elsa of 336 North Orange street left Thursday for a two weeks' outing at Arrowhead Hot Springs, San Bernardino county.

Mrs. A. Stuart Russell and little daughters, Misses Jean, Joyce and Doris, are spending a few weeks with Mr. Russell's parents, Mr. and Mrs. C. E. Russell. Mr. Russell has gone to New York and other eastern points in the interest of the Standard Oil Company with which he is connected and will join them here before their return to their home in Richmond.

MASONS, ATTENTION!

T. L. BROWN STRONG FOR LOWDEN FOR PRESIDENT

T. L. Brown of 213 North Louise street, who came here from Dixon, Illinois, still has a mighty warm spot in his heart for the Sucker state. He is an enthusiastic booster for Gov. Frank O. Lowden, as next Republican candidate for President, so he reads eagerly anything favoring his choice. He was much pleased to note in a recent issue of the Dixon Telegraph he following editorial, which, it is needless to say, he subscribes to most heartily:

"The people of Illinois are satisfied that the Republican party need look no farther than this state for its ideal candidate for President. Governor Frank O. Lowden has demonstrated his ability. He has given Illinois an administration that stands out as a model for the nation and he is capable of bigger things. Lowden is the sort of man Americans would like to vote for."

U. S. TO RETAIL GOODS AT COST

The War Department has announced that it will open stores for the sale at retail of surplus army stuff, consisting of clothing and food articles, in 24 cities of the country, on Sept. 25th. A price list of all articles handled is furnished and the goods will be delivered by parcel post on receipt of price or sold over the counters at the stores. One is to be located in Los Angeles, it is announced. No profit is to be charged on any of the articles sold.

Seidel Plays Wild Gypsy Dances

Gypsy musicians started the dancing craze in Hungary with their famous "Csardas," or tavern dances. Perhaps the most dazzling of this fascinating music is the "Hejre Kati (pronounced High-ratty) Scenes from the Csarda." Toscha Seidel interprets it with irresistible fire.

Grainger Glorifies "Hungarian Fantasy"

Here is the first really great and successful phonograph record of a piano-orchestral classic. In these thrilling, heroic melodies, in the glorious, thunderous chords and the swiftly rippling runs from end to end of the keyboard, Percy Grainger is at his most brilliant best.

French Army Band Superb in "Arlesienne"

Bizet's exquisite "Arlesienne Suite" must have mightily appealed to these veteran bandmen of the Marne, for they play it as if they love it. As in Bizet's opera *Carmen*, these melodies are strongly influenced by the composer's study of French and Spanish folk-music. On the back, "La Feria," an inspiring Spanish bull-ring march.

A-6114—\$1.25

The 39 new Columbia selections for October include 4 popular songs by Grand Opera and concert stars, 12 other popular songs, 2 band pieces, 2 symphony orchestra selections, 2 saxophone solos, 2 hymns, 1 violin solo, 1 piano solo in 2 parts, 1 novelty record in two parts, and 12 dances.
